Miss Morgan, —

The officers of the M.L.T.A. hope very much that you will continue to be the representative for Charles River on our governing board.

This request comes late be-

cause no nominating committee was appointed & Unity is slate at our annual meeting at the Publick House in September.

We have many new members because of that meeting, & if I just do my job, we should have a successful year.

Do please stand by us!

November 9, 1958

Dear Mrs. Morgan;

As you probably know, I am in charge of Public Relations for the Massachusetts Library Trustees Association. I am trying to get information together on all the meetings held this fall in the various areas of the state. I plan to do a write-up for the Winter Issue of the Bay State Librarian.

I am enclosing two blanks for you. Would you fill one of them in with information about your meeting this month and send it back to me? The other blank you can keep to send after any future meeting at which Trustees in your area are present. I am hoping to get these blanks duplicated so that each Area Representative can have several copies on hand.

It is too bad that I cannot attend all these meetings myself, but I am afraid that is impossible. I do hope to keep news coming out through the Division Newsletter and the Bay State Librarian. There is really nothing I can do on a local level, but I am sure that the Area Representatives take good care of that end. My job is to keep people all over the state informed about what is going on in the various areas.

I do hope that I will have the pleasure of seeing you soon. If there are any questions or suggestions you have about Publicity, I would be delighted to hear from you.

Sincerely yours,
Ruth P. Abbott
